POOL SURFACE DISCLAIMER

In using Interior Surfaces with colored grout / cement mix on your pool,
please note:

There is NO GUARANTEE against shading, blotching, streaking or
staining. Any marks, or imperfections, caused by foreign materials at
application will be corrected. However, said marks or imperfections do not
constitute a total re-surfacing of the pool (or spa) area.

The pool surfaces are hand applied, and WILL NOT be uniform in texture.
However, all surfaces will be within pool industry standards.

Please sign below that you understand these possible factors in applying a
interior surface finish with colored grout/ cement mix.
